

# OMHA Coaching Clinic

## Planning for Shared Ice

Join us for practical, hands-on, coaching clinics created by the Ontario Minor Hockey Association.

## Hosted by Simcoe and District Minor Hockey

As a coach, you know you have been successful if your players have enjoyed their hockey experience, improved their skills and are prepared to play at the next level.

Ice time can be expensive and hard to acquire. Join us in exploring ways of utilizing your ice to best meet these goals.
